## TERMS AND CONDITIONS OF AGREEMENT

Lando Internet Solutions (Pty) Ltd (the Company) will pay the agent a commission, as per the attached Annexure A, for new clients acquired by the agent for any internet related services provided by the Company. A commission will also be payable for any subsequent services, as per Annexure A, that the client, acquired by the agent, subscribes too, unless that service was subscribed via a different agent than the original agent.

A commission statement will be provided to the agent for the commission payable for that month. The agent agrees to provide the Company with a valid VAT invoice (if applicable), for the commissions per the commission statement.

The commissions, as per Annexure A, are VAT exclusive and VAT must be added for agents registered for VAT.

Commissions are payable 30 days after the agent's invoice is received, but not before the client's first subscription has been paid.

Commission paid for a client is void and will be refundable if the client cancels their subscription or defaults on any subscription payment within a 4-month period from signing up.

Commission rates may be changed at the discretion of the Company by giving 30 days notice.

The Company may change or terminate the agreement by giving **30 days written notice**.

I \_\_\_\_\_ in my capacity as \_\_\_\_\_

have read/understood and accept the terms and conditions of this agreement.
